

§ 314.9

The statement shall specify in years the estimated useful life of the project and shall include, but not be limited to disposition, encumbrance, and compensation of Federal share requirements of this part 314. The statement shall be satisfactory in form and substance to EDA.

(b) The statement of EDA's interest must be perfected and placed of record in the real property records of the jurisdiction in which the property is located, all in accordance with local law.

(c) Facilities in which the EDA investment is only a small part of a large project, as determined by EDA, may be exempted from the requirements of this section.

Subpart C—Personal Property

§ 314.9 Recorded statement—Title.

For all projects which EDA determines involve the acquisition or improvement of significant items of tangible personal property, including but not limited to ships, machinery, equipment, removable fixtures or structural components of buildings, the recipient shall execute a security interest or other statement of EDA's interest in the property, acceptable in form and substance to EDA, which statement must be perfected and placed of record in accordance with local law, with continuances refiled as appropriate. Whether or not a statement is required by EDA to be recorded, the recipient must hold title to the personal property acquired or improved as part of the project, except as otherwise provided in this part.

§ 314.10 Revolving loan funds.

(a) With EDA's consent, recipients holding revolving loan fund (RLF) property (including but not limited to money, notes, and security interests) may sell such property or encumber such property as part of a securitization of the RLF portfolio. The net transaction proceeds must be used for additional loans as part of the RLF project;

(b) When a recipient determines that it is no longer necessary or desirable to operate an RLF, the RLF may be terminated; provided that, unless otherwise stated in the award, the recipient

must compensate the Federal Government for the Federal share of the value of the RLF property. The Federal share is that percentage of the capitalized RLF contributed by EDA applied to all RLF property, including the present value of all outstanding loans. However, with EDA's prior approval, upon termination the recipient may use for other economic development purposes that portion of such RLF property that EDA determines is attributable to the payment of interest.

Subpart D—Release of EDA's Property Interest

§ 314.11 Procedures for release of EDA's property interest.

(a) Before the expiration of the estimated useful life of the grant project, EDA may release, in whole or in part, any real property interest, or tangible personal property interest, in connection with a grant after the date that is 20 years after the date on which the grant was awarded. (The term "tangible personal property" excludes debt instruments, currency, and accounts in financial institutions.) Except as provided in paragraph (b) of this section, such release is not automatic; it requires EDA's approval, which will not be withheld except for good cause. The release may be unconditional, or may be conditioned upon some activity of the recipient intended to be pursued as a consequence of the release.

(b) EDA hereby releases all of its real and tangible personal property interests in projects awarded under the Public Works Employment Act of 1976 (Pub. L. 94-369) and under that act as amended by the Public Works Employment Act of 1977 (Pub. L. 95-28).

(c)(1) Notwithstanding §§ 314.11(a) and (b), in no event, either before or after the release of EDA's interest, may project property be used:

(i) In violation of the nondiscrimination requirements of the project award, or

(ii) For religious purposes prohibited by the holding of the U.S. Supreme Court in *Tilton v. Richardson*, 403 U.S. 672 (1971).

(2) Such use voids the release, and is an unauthorized use of the property, as provided in § 314.4.
